

List of Courses of BEMTS to be offered in Summer 2024 Semester

Course Code	Course Name	Department
MT-339	Fundamentals of Thermal Sciences	Mechatronics Engineering
MT-247	Electronic Circuit Design	
EE-101	Electric Circuit Analysis	Electrical & Computer Engineering
EE101L	Electric Circuit Analysis Laboratory	
CE-112	Computer Programming	
CE-112L	Computer Programming Laboratory	
MA-105	Multivariable Calculus	
MA-217	Linear Algebra & Differential Equations	
ME-222	Engineering Dynamics	Mechanical Engineering
MA-110	Calculus and Analytical Geometry	FCAI
EE-223	Digital Logic Design
